

CHR13 Christy aged 1;9(20) to 1;9(29)

^1;9(20) 5-4-72

<C looking for a pen. Earlier F and C had been putting magnets on a pen, now they do it again. C says:>

C: [A han A p&n] " A on A pen ".

^1;9(20) 5-4-72

<C tries to learn to deflate her cheeks with her fingers like M. She makes kissing noises to do it.>

^1;9(20) 5-4-72

<C looking at a picture of Goldilocks standing beside a bed. In another picture, she has thought Goldilocks foot was stuck in the bed. She says:>

C: feet . <Then:> feet better .

<Exact meaning unclear.>

^1;9(20) 5-4-72

M: Where's Christy's chest?

C: <Points to her wrist.>

M: No, no. <Etc., and repeats the question.>

<C pointing to her cheeks. M has only specifically told C about "chest" once, long ago>

^1;9(20) 5-4-72

<Phonology:>

C: [s&n bak] " sandbox ".

<Delayed imitation.>

^1;9(20) 5-4-72

<After F buys a pie in the Kentucky Fried restaurant, C sees it on the table, unopened, and says:>

C: [A] pie open later .

<We've taken a pie home whole before.>

<C pointing toward pictures of herself on the table (which she has referred to as "baby" before), says several times:>

C: baby later .

<Then looking outside while it is raining, she says:>

C: dry soon <[suwm]> .

<Then with some influence of above sentence, she says:>

C: baby later soon .

<Perhaps the idea is that she will look at them later.>

^1;9(20) 5-4-72

<C has been wanting some milk cartons opened. M says:>

M: Let's (we'll have to) wait for daddy to open them.

<As soon as F returns, C says to him:>

C: aNwaN (= I want) daddy, aNwaN open .

^1;9(20) 5-4-72

<C looks at a chair scene in the "three bears" book, and says:>

C: daddy ... fix <[fik]> ... baby ... chair <[ti]> .

<M has shortly before said "that's the baby (bear's) chair. C has before known that "daddy fix". Not used for two to three weeks.>

^1;9(20) 5-4-72

<In the morning, C looks around, and says:>

C: [mami wi w&k] " mommy where record ? " .

<No special vocative intonation. Last night she played extensively with the new record player but hasn't yet seen it today.>

^1;9(20) 5-4-72

<C has been pounding on a pad or paper. M has imitated her and C, now trying to get M to do it again, says:>

C: [A pip] " A (that) paper ".

^1;9(20) 5-4-72

<C looks outside as rain falls, and says:>

C: that wet .

^1;9(20) 5-4-72

<After watching a cat walk through the yard and disappear, C comes and pulls at M as if hopeful of a repeat, saying several times:>

C: catty more .

^1;9(20) 5-4-72

<As M folds the wash, C requests her crib mattress pad from M, saying:>

C: aNwaN (= I want) that blanket <[b&nk]> .

^1;9(20) 5-4-72

<As we are getting ready to go out, M says:>

M: How come you're all sweaty? <C says several times:>

C: aNwaN (= I want) Deedee [PH&di] " sweater ".

<Confusion of pronunciation. Goes to find sweater in her room.>

^1;9(20) 5-4-72

<As C puts something odd in her mouth, she says:>

C: Deedee mouth .

^1;9(20) 5-4-72

<C looks at Goldilocks getting into baby bear's bed, and says:>

C: [A] baby [A] bottle .

<Not clear who "baby" is. Idea is that baby takes bottle to bed.>

^1;9(20) 5-4-72

<As M blows bubbles and C tries to pop them, C says:>

C: bubble [A] toy .

<M has never said bubbles were "toys ".>

^1;9(20) 5-4-72

<C finds a bottle of "cologne" and brings it to M. M says:>

M: I'll give you some. <Or so. C says:>

C: aNwaN (= I want) Deedee some .

^1;9(20) 5-4-72

<While playing a sort of game, C tries to stop M from making repeated funny noises, saying several times:>

C: [nat] " not !".

<First spontaneous use. Also:>

C: don't.

<Imitated once or twice in the past.>

<C, picking up a rubber band, says:>

C: [b&n] " band ".

^1;9(20) 5-4-72

<After something falls on C's forehead, she says:>

C: face <[fis]> head .

^1;9(20) 5-4-72

<C, touching her own neck, says:>

C: neck .

^1;9(20) 5-4-72

<C sees a picture of Goldilocks jumping out of bed, and says:>

C: baby [A] up .

^1;9(20) 5-4-72

<After smacking her hands on purpose, on a brick wall, C says:>

C: [A] hand [A] hit .

<Unclear if S-V or O-V.>

^1;9(20) 5-4-72

<While M is fixing a sandwich. C leans over and reaches for a piece of bread, saying:>

C: [dimi b&] " give-me bread ".

^1;9(20) 5-4-72

<M and C talking about the T.V. while it is on:>

M: Mommy will turn it off but I won't turn it loud.

C: Deedee ... turn ... loud .

C: [yawd] " loud ".

<Alternates this with "off". First use in a long time. Partial imitation.>

^1;9(20) 5-4-72

<As M goes to find the sweater that C has requested, C says:>

C: aNwaN (= I want) Deedee sweater .

^1;9(21) 5-5-72

<C says several times:>

C: aNwaN get toy .

M: Do you want mommy to get a toy?

C: no. Deedee get toy .

<C leaves M on the couch, goes off, and returns with a toy.>

^1;9(21) 5-5-72

M: ... what was the cow doing?

C: eat grass .

<Modelled 12 hours earlier when C and M saw a horse, just before the cow which C refers to.>

^1;9(21) 5-5-72

<After M reminds C of playing in the new sandbox with P today, C says:>

C: P cover .

<She and P covered their feet up. M said "cover" etc., at that time, but not this.>

^1;9(21) 5-5-72

<With reference to a cow that we saw today:>

M: The cow was walking in the mud.

C: dirty .

M: Dirty!

C: cow dirty .

^1;9(21) 5-5-72

M: Did you see a little boy today?

M: You went swinging with P.

C: swing boy .

M: You want to swing with a boy? <Etc.>

C: boy later .

^1;9(21) 5-5-72

<C, looking at trike in her room, which she hasn't ridden for several days,
says:>

C: ride later .

^1;9(21) 5-5-72

<After F tells M that he and C played in the sandbox in her absence, C says:>

C: sand later .

<Perhaps thinking we will play again later.>

^1;9(21) 5-5-72

<M puts C's shoes on before we go out and then goes for her own shoes. C says:>

C: shoe on .

M: Mommy's gonna put her shoes on.

C: Deedee [A] shoe on .

^1;9(21) 5-5-72

<After picking up an old plastic spoon in the yard, C says:>

C: daddy spoon .

<Why she thinks it's F's is unclear.>

^1;9(21) 5-5-72

<C points to the braided hair of a doll, and says:>

C: that [A] braid .

<M has just been talking about the doll's braid, but this utterance is new.>

^1;9(21) 5-5-72

<As C lies in the driveway with F's car in her line of vision:> M: It's time to go in.

C: no ! aNwaN (= I want) see daddy ... daddy car .

^1;9(21) 5-5-72

C: Deedee cold ... bit .

<This is a very delayed imitation of probably "Deedee has a cold a little bit" or "Deedee has a little bit of a cold ". "Bit" has been imitated several times in the last few days.>

^1;9(21) 5-5-72

C: hot .

<Reference to food.>

F: Warm. <Etc.>

C: [A] bit hot .

<F has modelled this often in the past, that warm is "a little bit hot ".>

^1;9(21) 5-5-72

<C runs back toward the table at which M and F are eating (she hasn't been eating), and says:>

C: [& Deedee hit tiuw] " & Deedee eat too ".

<Then coming up to F as he eats, she says:>

C: daddy [A] eat too .

^1;9(21) 5-5-72

<C, playing with a doll, lays it down. Then soon after, she lays another beside it and says:>

C: nai nait too .

^1;9(21) 5-5-72

<C holds a rice canister beneath the kitchen sink as M runs the water. She then holds it up to M, saying:>

C: water this .

<Evidently wanting it filled with water. M puts ice cube in the canister, but C, not satisfied, says:>

C: water ice .

^1;9(21) 5-5-72

<M, C and F sitting in F's office having Instant Breakfasts:>

M: ... circle for breakfast.

F: ..eakfast circle.

C: mommy circle breakfast [sik& bas] .

<Note, placing agent in initial position whether appropriate or not.>

^1;9(21) 5-5-72

<As C sits in the swing, she tries to get P to come with her, saying:>

C: P swing <and> both swing .

^1;9(21) 5-5-72

<As M begins to take her clothes off, C says:>

C: mommy [bd&s] " dress ".

<M expands, saying:>

M: Deedee [bd&s] .

<C, patting herself while still in her pyjamas, says:>

C: [day bd&s] " dolly dress ".

<C is playing with her doll soon after the above utterance. It has overalls on it.>

C: mommy buy sand .

<Delayed imitation of M's projected plan for the near future. Then C says:>

C: daddy buy sand .

<Substitution of F's name. He is not going to go.>

^1;9(21) 5-5-72

<C says:>

C: ride horsie .

<She does so, then says:>

C: [A] ride sandbox .

<She goes to play in the empty sandbox on the floor.>

^1;9(21) 5-5-72

<After C takes a drink from her cup of Instant Breakfast and sets it down, she says:>

C: [iN] " drink " [bas] " breakfast ".

^1;9(21) 5-5-72

<C looks at the tricycle in her room, and says several times:>

C: bike room .

^1;9(21) 5-5-72

<C looks toward the back yard sand box, and says:>

C: [s&n A sit] " sand A sit ".

<She had played in it earlier today.>

^1;9(21) 5-5-72

C: [A] bit hot .

^1;9(21) 5-5-72

<After C brings and reads one book to M, she goes to fetch another and returns, saying:>

C: other book .

^1;9(21) 5-5-72

<C sees a boy about 8 years old on the street corner, and says:>

C: little boy .

<M has in general modelled this before.>

<After M's stomach growls, C says:>

C: tummy noise .

<M modelled this several days ago.>

^1;9(21) 5-5-72

<C, on her tricycle with her feet on the pedals, says:>

C: [p&d&] " pedal ".

<She cannot pedal.>

^1;9(21) 5-5-72

<C, resting her hand on M's shoulder, says:>

C: [sawd] " shoulder ".

<First spontaneous use.>

^1;9(21) 5-5-72

<While trying to lift F's glass of milk off the table, C says:>

C: heavy .

^1;9(21) 5-5-72

C: [d . iam] " jump ".

<C says this often usually before jumping but never yet with agent or location, etc., only in isolation. A verb without rules.>

^1;9(21) 5-5-72

<After M slams the door, C says several times lately:>

C: alam .

^1;9(21) 5-5-72

<C, stretching out her hand toward the lunch dish, says:>

C: have .

<This word just starting to come in.>

^1;9(21) 5-5-72

<C. stretching for a letter on the counter, says:>

C: [dimi] " give-me ".

^1;9(21) 5-5-72

<F, remarking on his own glass of milk, says:>

F: Milk. <C says:>

C: aNwaN [h&v] " have ".

<C has no milk at the table, reaches for F's>

^1;9(21) 5-5-72

<C proudly shows F the bottle she has just received from M, saying:>

C: [A gat A badi] .

^1;9(22) 5-6-72

<C struggling with a piggy bank:>

M: Can I help?

C: daddy <s1> [hiuwp] " help " .

<Then as M tries to help anyway, she says:>

C: no daddy <s2> .

^1;9(22) 5-6-72

<As C balances paper on her hand, it falls. She picks it up again, saying:>

C: fall down again <[gin]> . <Repeats.>

^1;9(22) 5-6-72

<C points to the closed eyes of a cat in a picture, saying:>

C: [kaw hai] " close eye ". <Then:> [sipi] " sleepy " <or> " sleeping " .

<Cat was not lying down.>

^1;9(22) 5-6-72

<F tells C she can have some cake after she finishes dinner. C says several times:>

C: cake later .

<Also, as she eats, she says:>

C: daddy cake later ?

<She gets up and runs to F, saying:>

C: now cake later !

^1;9(22) 5-6-72

<Phonology:>

C: [kawd] " cold ".

<The recent pronunciation.>

C: [AnAn&p] " unsnap ". <Imitated>

^1;9(22) 5-6-72

<Phonology:>

M: Can you say? --

C: [pi:n] " scream ".

C: [p&_] " scratch ".

C: [pit] , [pip] " scrape ".

^1;9(22) 5-6-72

<C looks at a picture of herself and Emily in a tub, and says:>

C: bath . [A hawt ... sium] " A out ... soon ".

^1;9(22) 5-6-72

<C looks at a cake on the counter, and says:>

C: cake later .

M: After supper we'll have some cake.

C: have cake later .

<She has said this earlier in connection with sand cakes.>

^1;9(22) 5-6-72

<When F gets up, C looks out toward the sandbox, and says:>

C: cake [A] later .

<Also earlier, remembering making sand cakes yesterday.>

^1;9(22) 5-6-72

<F is in bed and C and M play in the play area. C says:>

C: daddy up later .

<M might have modelled this earlier, probably at least in the past.>

^1;9(22) 5-6-72

<C pulls the music box cow's tail, saying:>

C: broke .

M: <Expands.>

C: better soon .

<I don't recall this ever being modelled, possibly, but not recently.>

^1;9(22) 5-6-72

C: cake later ... daddy cake later ? ... now cake later !

^1;9(22) 5-6-72

<C pushing the bathroom door open. Swinging the door back and forth, she says several times:>

C: [yiyv habi] " leave open ".

<First use of "leave" and this construction pattern. Seems totally out of the blue.

"Leave" rarely self-consciously modelled.>

^1;9(22) 5-6-72

C: <Comprehension:> where ?

<F at C's request, takes down the money bowl. He says "where do you want it?" C says TABLE, while pushing F toward the coffee table.>

^1;9(22) 5-6-72

<C brings a blanket up and puts it on M's lap on the couch, saying:>

C: cover mommy . <M says:>

M: Cover mommy up. <Or so. C says:>

C: no , aNwaN (= I want) Deedee cover up .

<She grabs the blanket away from M and drops it over her own lap.>

^1;9(22) 5-6-72

<M is buttering bread. C holds out a piece of baloney for butter, saying:>

C: butter this <[dis]> .

<I think that butter is a noun, not known as a verb to her.>

^1;9(22) 5-6-72

<As M gives C a cup of ice, C says indignantly:>

C: aNwaN (= I want) more ... cow <s1> [A] ice .

<She evidently thinks that M should give ice to the cow.>

^1;9(22) 5-6-72

<C holds out a nesting cup with a penny in it to M. She then goes to the living room where the money bowl is kept, saying:>

C: [A] more money .

^1;9(22) 5-6-72

<M and C looking at a picture of C as a baby. M says:>

M: You didn't have any hair.

C: no baby hair .

<C always calls herself "baby" when looking at a picture of herself.>

^1;9(22) 5-6-72

<After all the coins fall out of the piggy-bank, C says:>

C: aNwaN (= I want) more in <s4> .

^1;9(22) 5-6-72

<As C lies on the floor, she points to a bottle a couple of feet away, and says:>

C: [aNwaN d&t A ba:] " I want that A bottle ".

^1;9(22) 5-6-72

<While in the bathroom, C says:>

C: P later . <Then:> P all gone later .

<She evidently remembers yesterday's play in the sandbox with P, where M said "we covered up feet all gone".>

^1;9(22) 5-6-72

<C picks up a package of Instant Breakfast when M sets her on the counter, saying:>

C: [ey bas A h&n] " [ey] breakfast A hand ".

^1;9(22) 5-6-72

<As M holds C, shortly after C went to bed but before falling asleep, C says several times:>

C: man water .

<Reference unclear.>

^1;9(22) 5-6-72

<In connection with lunch, F is having a sandwich and C says:>

C: daddy [A] butter .

<I forget exactly.>

^1;9(22) 5-6-72

M: I love you. <C says:>

C: daddy love .

<Substitution idea.>

^1;9(22) 5-6-72

<M makes a noise with her hand to her mouth (flapping). After C does it a few times, she looks expectantly at M to get her to do it again.>

^1;9(22) 5-6-72

<When C coughs, M says:>

M: You're a coughy girl. <C says:>

C: wow-wow cough .

<She's playing with dog in a car. Never modelled.>

^1;9(22) 5-6-72

<C has just fitted a shape into her shape box with M's help. Now, as she searches for an opening to get another, she says:>

C: other fit .

<Right after that she says:>

C: other toy .

<Perhaps idea is that "other toy fit".>

^1;9(22) 5-6-72

<C looks at the picture of a girl on the cover of a book holding a cat, and says:>

C: [A boy hawt k&ti(y)] " A boy hold catty ".

^1;9(22) 5-6-72

<As C drinks juice from a bottle, she says:>

C: [miNGk] " drink " juice .

^1;9(22) 5-6-72

<As C eats salt out of a cup, she says:>

C: salty [A] eat .

^1;9(22) 5-6-72

<C and M on the hassock. C says:>

C: [wid A bik] " read A book ".

<C then selects one.>

^1;9(22) 5-6-72

As C holds out the kind of cup I put her Instant Breakfast in, she says several times insistently:>

C: [A bas] " A breakfast " cup.

<Idea is that she wants some in the cup.>

^1;9(22) 5-6-72

<As C is on her horse, M comes to sit on the hassock but doesn't lean back. C says:

C: [sit A wini] " sit A window ".

<This is command tone, wants M to lean back against the window now. Because it is C's bedtime she is stalling, wants M to get more permanent.>

^1;9(22) 5-6-72

<C, patting M's desk chair, says several times:>

C: sit here .

<Then she comes to climb up on M's lap, saying:>

C: Deedee sit here .

^1;9(22) 5-6-72

<C drops a toy by her feet as she sits, saying:>

C: fall down feet .

^1;9(22) 5-6-72

<C, looking out at the rain, says:>

C: [A] rainy day .

^1;9(22) 5-6-72

<C, just before taking a record off the phonograph and getting another, says:>

C: new record .

^1;9(22) 5-6-72

<After C sees and identifies an airplane on T.V., the picture changes. She turns to M and seems to request this repeatedly:>

C: [Ad& hibi] " other airplane ".

^1;9(22) 5-6-72

<M has thrown two old bottles of drops into the garbage. As M and F then discuss it in C's presence, C says:>

C: old drops .

<Slightly delayed imitation. Then:>

C: V see drops .

<Happy when M shows her.>

^1;9(22) 5-6-72

<C is looking at an old bottle of juice from which M has taken the nipple for a new bottle she is fixing. C says:>

C: old juice

<Probably modelled in the past.>

^1;9(22) 5-6-72

<C comes to M with the top of the toy truck. The little animals that go in it are in the cupboard in the toy box. We haven't had it out or mentioned this box in three or four weeks. C says:>

C: toy box <[bak]> .

<C never said it before.>

^1;9(22) 5-6-72

<As C plays with her toy cow, her half-eaten lunch dish is near her. She says:>

C: eat .

M: Does the cow want to eat?

C: cow [A] eat . <Imitated. Then:>

C: cow [s&m&] ? " sandwich ? ".

<Putting a sandwich up to the cow's mouth.>

^1;9(22) 5-6-72

<M shows C a picture of mittens and asks:>

M: What are these? <C says:>

C: [mit] " mittens ".

^1;9(22) 5-6-72

<C, touching the tail of a tiny wooden bird, says:>

C: sharp .

^1;9(22) 5-6-72

<After C knocks over a bowl of coins onto the floor, she says:>

C: [A m&s] " A mess ".

^1;9(22) 5-6-72

<C looks at a picture of herself bare, and says:>

C: no pant on .

<Has said "no pant" in the past to this two times, now has been expanded with "on". Not for about two weeks.>

^1;9(22) 5-6-72

<After C sees snow in a picture, M says:>

M: ... snow on the roof.

C: snow on . <Imitated>

^1;9(22) 5-6-72

<As C bumps M's chin with her head while leaning back, she feels M's mole and says:>

C: mole [A] hit <[hit]> .

<Quite novel.>

^1;9(22) 5-6-72

<As C lies on a cushion on the floor with a blanket, she struggles to cover herself with it, saying:>

C: cover Deedee .

^1;9(22) 5-6-72

<While sitting on M's lap, C says:>

C: ice give-me <[dimi]> .

<Four or five times.>

M: OK.

C: give-me ice .

<Several times. C has been eating ice chips out of a cup today.>

^1;9(22) 5-6-72

<C, sitting across the table from F as he and M eat soup, says:>

C: [A h&v A soup] " A have A soup " .

^1;9(22) 5-6-72

C: [A kow kow] " A coca cola ".

<Then, several times:>

C: [h&v kow kow] " have coca cola ".

^1;9(22) 5-6-72

<C watches M on the toilet, and says:>

C: [h&v] " have" [A] B.M.

^1;9(22) 5-6-72

<After C requests ice for her cow, she comes after M to the kitchen as M goes to get ice, saying:>

C: cow have <[h&v]> ice .

^1;9(22) 5-6-72

<C takes F's sandwich off his plate and starts eating it, saying:>

C: [A] Deedee sandwich .

^1;9(22) 5-6-72

<After C keeps dropping a spoon on the floor and M has picked it up several times. C says:>

C: aNwaN (= I want) get more .

<I don't know who was now supposed to get it.>

^1;9(22) 5-6-72

<At M's suggestion, C is picking up coins off the rug. As M pauses in helping, C stops and says loudly to M:>

C: help Deedee .

<First spontaneous use of "help".>

^1;9(22) 5-6-72

<C looks at a picture of herself and Emily in the tub, and says:>

C: bath [A hawt ... sium] " A out ... soon ".

^1;9(22) 5-6-72

<As C struggles with a piggy-bank, M asks:>

M: Can I help? <C says:>

C: daddy [hiuwp] " help ".

<As M tries to help anyway, C says:>

C: no daddy <s2> .

^1;9(22) 5-6-72

<As C looks around for a Dixie cup to catch bubbles in, she says:>

C: where cup ?

^1;9(23) 5-7-72

C: <Comprehension:> who ?

<As M dishes out a bowl of spaghetti, she asks "Who is this for?"

C says DADDY.>

^1;9(23) 5-7-72

<C sees an old bottle on the counter, and says:>

C: old bottle . <And> Deedee drink old .

<She didn't make a move to drink.>

^1;9(23) 5-7-72

<As M pushes C in her stroller, C says to her:>

C: mommy push you .

^1;9(23) 5-7-72

<Phonology:>

C: [awd] " owl ". <Imitated>

^1;9(23) 5-7-72

<C at home on a rainy day, hopeful of a visit. She says:>

C: P house later ?

^1;9(23) 5-7-72

<As C looks at a color book picture of a girl in bed with a cat, she says:>

C: boy [A] up [suwm] " soon " ... catty up soon .

<She seems to think it's a boy.>

^1;9(23) 5-7-72

<C steals M's pad and runs into her bedroom with it. While trying to keep it out of M's reach, she says several times:>

C: alone <[Ayown]> leave alone .

^1;9(23) 5-7-72

<C, asking for a bottle, says:>

C: bottle P house <[haws]> . <Then:> go P house .

<Evidently thinks it's at P's house? No reason it should be.>

^1;9(23) 5-7-72

<C, leading M back to the bedroom to get her stroller (the light is off), says:>

C: aNwaN (= I want) on light .

^1;9(23) 5-7-72

<C going to call F:>

C: man again .

<Earlier M had called F down to watch Jonathan Winters on the tube for the second time. C wanted to know what for. M told her that there was a man on the T.V., which F liked. Man was not on again.>

^1;9(23) 5-7-72

<C, watching as P's mommy puts P's shirt on, says:>

C: P shirt .

^1;9(23) 5-7-72

<C, spotting F napping on the couch, says:>

C: [dis d&di <s2>] " there's daddy " .

<First clear-cup "there's".>

^1;9(23) 5-7-72

C: <Comprehension:> pronouns.

C: aNwaN baa " I want bottle " .

M: I <s1> want a bottle.

C: aNwaN Deedee baa <s3> .

<In contrast, she understood "I" was M.>

M: You <s1> want a bottle. <C gave a big smile.>

M: He <s1> wants a bottle.

<F is sitting beside us, and C turns immediately toward him.>

^1;9(23) 5-7-72

<M and C looking at a "Scarry book" with pictures of a bear with a bite out of a sandwich:>

M: The bear's eating a sandwich.

C: Deedee eat sandwich mouth .

<Yesterday C had a lot of sandwich.>

^1;9(23) 5-7-72

<While M is having an egg, C says:>

C: come ... eat ... egg <s3> .

<Exact reference I forget.>

^1;9(23) 5-7-72

<C, bringing a big psychology book to M in the kitchen, says:>

C: read [A] book .

<Often modelled.>

^1;9(23) 5-7-72

<As C takes two plastic soldiers out of a toy box, she says:>

C: two man .

^1;9(23) 5-7-72

<C pats M's cheek as M lies on the bed. Then, as she tries to get at M's other cheek, she says:>

C: other cheek <[tik]> .

^1;9(23) 5-7-72

<C, twirling the balls on her stroller, says:>

C: funny balls <[ba:s]> .

<M might have modelled in the past but not for weeks. First plural.>

^1;9(23) 5-7-72

<On a rainy day, P playing at our house. M asks C:>

M: Do you want some baloney? <C says:>

C: P baloney !

<C evidently wants P to have some too.>

^1;9(23) 5-7-72

C: [pidi] " spilly ". <Imitation>

^1;9(23) 5-7-72

<After M turns off the water, C says to the water in the tap:>

C: come .

<C had been getting water for her cup.>

^1;9(23) 5-7-72

<C holds up a bottle nipple to M as M finishes pouring milk into a bottle, saying:>

C: [on A nip] " on A nipple ".

^1;9(23) 5-7-72

<As C plays with daddy doll, which has a tie on, she says:>

C: tie on .

^1;9(23) 5-7-72

<C tries to shove M's thumb out from between the pages of a book, saying:>

C: [fini A hawt] " finger A out ".

^1;9(23) 5-7-72

<As M and C read a book, C says:> C: turn
page .

<Delayed imitation. M has modelled this five to ten minutes earlier.>

^1;9(23) 5-7-72

<As M fixes toast with C at her heels, C says:>

C: aNwaN (= I want) Deedee butter on .

<And> aNwaN (= I want) butter on .

<Then, as M gets ready to put butter on the toast, C says:>

C: butter toast .

^1;9(23) 5-7-72

<In response to M's pointing at an empty stroller in a picture and saying
"what's this?", C says:>

C: mommy push baby .

^1;9(23) 5-7-72

<C drops a piece of ice, saying:>

C: drop.

M: What did you drop?

C: drop [A] ice .

^1;9(23) 5-7-72

<M has told C she is fixing toast. As C reaches out for the crusts on the
breadboard, she says:>

C: give-me <[diminutive]> toast .

^1;9(23) 5-7-72

<As M lies on the bed in C's room in the morning, C says:>

C: mommy up soon .

<M has told C that she'd get up in a few minutes. 15 minutes after the above, while F is still in bed and M tells C not to bother him, C says:>

C: daddy up soon .

^1;9(23) 5-7-72

C: mommy get .

^1;9(24) 5-8-72

<M and C talking about the big balloon that Dove brought in from outdoors this morning:>

M: Who brought the balloon in?

C: Dove in .

^1;9(24) 5-8-72

<As C lies on her back on the floor, she stretches out her arms for M to lift her, saying:>

C: help me .

<A novel use of "me".>

^1;9(24) 5-8-72

<After C makes a puddle on the floor, she calls M, saying:>

C: puddle .

^1;9(24) 5-8-72

<C, having gotten a knife out of the drawer, stretches toward a cube of butter on the counter and says both of these several times:>

C: cut knife <and> cut butter .

^1;9(24) 5-8-72

<As C plays with two tiny dolls, she says:>

C: baby fall .

<Perhaps one fell.>

^1;9(24) 5-8-72

<In connection with pouring water out of something, C says several times:>

C: pour out <and> pour out water .

^1;9(24) 5-8-72

<C, getting off M's lap to go inspect a big balloon, says:>

C: [ay see buwm] " [ai] see balloon ".

^1;9(24) 5-8-72

<While leafing through a magazine after finding one picture of a baby, C says many times:>

C: find [A] baby .

^1;9(24) 5-8-72

C: fall down MA bed .

^1;9(24) 5-8-72

<After C makes a puddle on the floor, she says:>

C: wet bottom .

M: Do you have a wet bottom?

C: no . dry bottom .

<These may have been modelled but not recently.>

^1;9(24) 5-8-72

<After C walks in water, she comes to M with wet socks on, saying:>

C: socky wet .

<M has modelled "are your socks wet?" in the past.>

^1;9(24) 5-8-72

<After C dips her doll into an orange juice cup and gives it a turn at drinking, she says:>

C: baby wet .

^1;9(24) 5-8-72

<C and Christy Poll playing with different sized pine cones:>

C: I have a baby pine cone . <Or so.>

C: aNwaN too ... baby .

<Picking up a baby cone.>

^1;9(24) 5-8-72

<Phonology:>

C: [nuni] " noodle ". <Imitated>

^1;9(24) 5-8-72

<After CP pours C a pretend cup of tea and C drinks it, she holds out the cup to P, saying:>

C: aNwaN (= I want) more tea P . <And> P aNwaN (= I want) more tea .

^1;9(24) 5-8-72

<M and C sitting at the table. As C reaches, she says:>

C: salty .

M: Do you want the salt?

C: aNwaN (= I want) salt [nuwnuw] " noodle ".

<She then takes the salt and extends it toward noodles on her plate. Never modelled for sure.>

^1;9(24) 5-8-72

<C, on her tricycle, says several times to M:>

C: push.

<Then indicating where M's hands usually go on the handlebars, she says:>

C: push [A h&n] " A hand ".

<After M says "ask daddy", he comes up, and C says:>

C: daddy [A] hand .

^1;9(24) 5-8-72

<While taking turns with M drinking orange juice and also including a tiny baby doll in each turn, C says:>

C: baby turn .

^1;9(24) 5-8-72

C: some spoon .

<= Some in the spoon.>

^1;9(24) 5-8-72

<When Dove comes over to play, she enters through the patio door.

C says:>

C: Dove sand .

<C evidently thinking she'd like to play in the sandbox with Dove.>

^1;9(24) 5-8-72

F?: What does C have on her face ?

M: Probably she has some dinner left over on her face. <Or so.>

C: cookie face .

^1;9(24) 5-8-72

<C holds out the green bucket that CP brought with her, and says:>

C: salty cup .

<Repeats insistently. Evidently thinks it is like her green cup she has salt in. Not an attributive but a request for salt.>

^1;9(24) 5-8-72

<C, patting the pants pocket of F's pants that are lying on the bed, says:>

C: [A] money pant .

^1;9(24) 5-8-72

<C holds out CP's pail to M, which is green like the cup that C eats salt out of, and says:>

C: aNwaN (= I want) salty this . <And> salty this .

<It seems that C wants salt in this pail.>

^1;9(24) 5-8-72

<C, holding out a cup to M, who is standing by the sink, says:>

C: water this .

<Recently she's spent much time filling and refilling cups at the tap.>

^1;9(24) 5-8-72

<C has been up on the counter and M has just set her down. C, clamoring at M's knee to get up again, says:>

C: [hup agin] " up again ".

^1;9(24) 5-8-72

<C unveiling M's tummy and touching her naval, says:>

C: tummy noise . <And> button noise .

^1;9(24) 5-8-72

<C and CP picking pine cones. C says to M several times:>

C: get .

M: Get what?

C: get cone <[kowm]> .

<"Cone" a new word in recent context.>

^1;9(24) 5-8-72

<In connection with pouring water out of something, C says several times:>

C: pour out . <And> pour out water .

^1;9(24) 5-8-72

<C holds out a piece of bread to M as M fixes a sandwich. Wanting butter on it, C says:>

C: bread . butter on .

^1;9(25) 5-9-72

<As M and C walk across freshly cut grass in the yard, C says:>

C: cut .

M: What did the boy cut?

C: cut [d&s] " cut grass ".

^1;9(25) 5-9-72

<After C picks up an empty glass from the coffee table, which she evidently figures M drank out of, she says:>

C: mommy drink .

^1;9(25) 5-9-72

<C in Andrea's kitchen after C has said FISH. She evidently remembers that she and Andrea fished once before. M expands, then shortly later, C says:>

C: fish later .

^1;9(25) 5-9-72

<As C tips over backward on the floor, she says several times:>

C: tip .

^1;9(25) 5-9-72

<As C tries to run on the track, she stops abruptly, and says:>

C: sand shoe .

<There is in fact sand in her shoes. She has said this several times in the past, originally and imitation.>

^1;9(25) 5-9-72

C: <Comprehension:> where ?

<C going away from M. M asks "where are you going?" C says TRIP.>

^1;9(25) 5-9-72

<As C and M play on the high school track, C says to M many times:>

C: [ti howm] " stay home ".

<M would then stand still and C would walk off saying:>

C: bye bye . <First use.>

^1;9(25) 5-9-72

C: go away .

<1. To Andrea as A moved close to her.

2. To F as he stood close to her, pushing him.>

^1;9(25) 5-9-72

<Recent use of "ready" negligible. For a while it looked as if it might become a "pivot". Now occasionally an imitation.>

^1;9(25) 5-9-72

<Phonology:>

M: Can you say "sleeve"?

C: [siyv] . <Imitated>

M: Can you say "cover"?

C: [kav&] " cover ".

^1;9(25) 5-9-72

<C, Andrea and M on the couch while M is looking at a book. As Andrea tries to pull the book away, C pulls it back toward M loudly shouting:>

C: mommy see .

<First subject with "see".>

^1;9(25) 5-9-72

<After C hears a noise, M tells her it was a shout, that someone was shouting.

C says:>

C: see shouting <[sawti]> .

^1;9(25) 5-9-72

<C, slapping her knees and legs vigorously, says several times:>

C: fight lap .

<Reference unclear.>

^1;9(25) 5-9-72

<C and Andrea trying to get animal crackers out of a box. C gets one and says several times:>

C: [y&k wan] " like one ".

M: Who would like one? <Two times.>

C: Hani like one .

M: Then give one to Andrea. <First sentence of this type.>

^1;9(25) 5-9-72

<C, patting Andrea's coat, says:>

C: catty boy .

<I don't recall any previous discussion of his gender.>

^1;9(25) 5-9-72

<All of the following as C tries to get M to put some Instant Breakfast in a cup for her as M prepares one for herself.>

C: more cup .

C: [bas] " breakfast " in . <Several times.>

C: breakfast in cup.

^1;9(25) 5-9-72

<As M carries C into the bedroom in the morning, after F has gone to work and C sees that he is absent, she says:>

C: daddy not home .

<M has often modelled this in the past, C has never imitated it before.>

^1;9(25) 5-9-72

C: Hani bottle .

<Evidently recalling that Andrea had had a bottle earlier.>

^1;9(25) 5-9-72

<M asks Andrea to return M's "clock"--her wristwatch that Andrea was playing with. As A does so, C holds out her hands to try to intercept it, saying:>

C: more clock .

^1;9(25) 5-9-72

<C, finishing a piece of cracker she found in Andrea's carriage, says:>

C: [mo bd&k] " more cracker " .

^1;9(25) 5-9-72

<C and Andrea have been riding together on a see-saw seat, then A sets off and goes to a 2-seater swing. C, following her, touches the swing and says:>

C: [aNwaN fin dis] " (I want) swing this ".

<C, picking up a piggy-bank and taking it to a pile of toys she's making, says:>

C: money [A] up .

<Then picking up socks off the couch, she says:>

C: socky up .

^1;9(25) 5-9-72

<C and M in the house. C, gazing out into the yard, says:>

C: aNwaN (= I want) sand .

M: You played in the sand, yes you did. <Or so.>

C: aNwaN (= I want) did .

^1;9(25) 5-9-72

<C and M at a restaurant. After finishing a glass of ice, C says:>

C: aNwaN (= I want) more ice .

^1;9(25) 5-9-72

<C has been given a bottle and is drinking. Now, as M has mixes an Instant Breakfast and starts to drink, C says:>

C: [A bows] " A both ".

^1;9(25) 5-9-72

<As C tips over backward on the floor, she says several times:>

C: tip .

^1;9(25) 5-9-72

C: catty in .

<No cat in evidence. Reference unclear, but has to do with a pile of toys she's

constructing under the T.V. table.>

^1;9(25) 5-9-72

<After Andrea goes in her neighbors' house and comes out with a toy, C keeps urging M toward the doors, saying:>

C: aNwaN (=I want) in toy .

^1;9(26) 5-10-72

<When M tells C we don't have any more cookies, C says:>

C: buy cookie .

C: mommy got baby up . <Imitated>

^1;9(26) 5-10-72

<C in the car after we leave Dot's. Baby Brad was still in bed. C says:>

C: aNwaN (= I want) baby up later .

^1;9(26) 5-10-72

<Shortly after several "daddy up soon" sentences:>

M: It's raining.

C: dry soon ... daddy dry soon .

^1;9(26) 5-10-72

<C brings her toy giraffe to M, saying:>

C: baby [bd&f:] " giraffe " .

<M has never used this phrase, nor have we discussed this toy for months.

^1;9(26) 5-10-72

<While in the car as we pull into the drive, C says:>

C: run grass .

<Then she gets out and runs on the grass. She has ran there two days ago too.

M probably modelled.>

^1;9(26) 5-10-72

<As M leans back in a chair, C says to her:>

C: don't fall .

<Then C goes around the back and pushes M up.>

^1;9(26) 5-10-72

<After a piece of cake falls from her hands, C says:>

C: cake fall down .

^1;9(26) 5-10-72

<After F tickles C some, C says to him:>

C: tickle me .

<He continues.>

^1;9(26) 5-10-72

<When C spills water on her shirt, she says several times:>

C: shirt .

M: What's the matter with your shirt?

C: shirt wet .

^1;9(26) 5-10-72

<Pronouns: M and F asked C extensive questions with pronouns, e.g., "can I tickle you? C and you tickle him?", daddy etc. General finding is that she understands direct objects "you", "me", and "him", "her" (not distinguished by sex, but gets the "other person" sense. But not subjects e.g., "can I tickle you?", she is apt to tickle herself).>

^1;9(26) 5-10-72

<C, leaning affectionately against M on the couch, says:>

C: you mommy .

^1;9(26) 5-10-72

<After M tells Mr. Fuel she will close the bathroom door in case C drinks something, C says:>

C: man drink .

^1;9(26) 5-10-72

<C, pointing to F's shoe, says:>

C: daddy shoe .

^1;9(26) 5-10-72

<C looks at F's feet as he is all under the covers, and says:>

C: daddy feet .

^1;9(26) 5-10-72

<M has given C a cup of dry Instant Breakfast powder but has poured milk in her own glass. C holds out the cup wanting milk in it too, saying:>

C: aNwaN (= I want) [bas] " breakfast " milk .

^1;9(26) 5-10-72

<C holds her hands up imitating a picture of Emily with one hand up.

When M asks her repeatedly what Emily is doing?, C says:>

C: [Hani dowth d&t h&n] " Emily do't that hand “.

^1;9(26) 5-10-72

<After C has a B.M. without her diapers on, she says:>

C: B.M. bottom .

^1;9(26) 5-10-72

<As C gurgles in a glass:>

F: Does Marc do that? <C says:>

C: Marc [duwt d&t] " do't that ". <Imitation>

^1;9(26) 5-10-72

<C picks up a plastic spoon and extends it toward the bath tap, saying:>

C: aNwaN (= I want) water this .

^1;9(26) 5-10-72

<C looks at a picture of a cat in a play pen, its mommy bringing it a bottle, and says:>

C: mamma give-me <[dimi]> bottle milk .

<M has told her what is happening before, but this not imitated.>

^1;9(26) 5-10-72

<C comes up to the spoon drawer and peers in. She takes one, which M gives her, saying:>

C: get [puwm] " spoon " .

^1;9(26) 5-10-72

<C looks at a picture of herself riding her horse, and says:>

C: baby ride horsie .

^1;9(26) 5-10-72

<After C drops a piece of bread on her knees, she says:>

C: fall down knees <[niys]> .

^1;9(26) 5-10-72

<C holds out a piece of bread as M and F are buttering rolls, saying:>

C: butter this .

^1;9(26) 5-10-72

<C looks at cooked onions on M's plate, and says:>

C: hot . hot onion .

<Novel combination. M had modelled "onion" earlier. C had seen her put them in the oven.>

^1;9(26) 5-10-72

<After F has already given C some butter, C says:>

C: daddy more butter .

^1;9(26) 5-10-72

<C, trying to get bread at dinner as M and F eat rolls, says:>

C: Deedee bread .

^1;9(26) 5-10-72

<After F's hand squeaks on the wall, C says:>

C: hand [A] noise ?

^1;9(26) 5-10-72

<C sees floating balls on T.V., and says:>

C: there [A] bubble .

^1;9(26) 5-10-72

<As C tries to get M to crawl into boxes that C can fit in, she says:>

C: mommy in

^1;9(26) 5-10-72

<C, starting to crawl into the two boxes we often close her up in, says:>

C: Deedee in .

^1;9(26) 5-10-72

<After M closes C's bottle up in the two boxes, C says to her:>

C: [A] out . bottle out .

^1;9(26) 5-10-72

<C has been closing her eyes and M has modelled "close eye ". Now C says this to M and waits while M does it:>

C: close eye too .

^1;9(26) 5-10-72

<C, indicates to the big yellow tub on the bathroom floor and then the pitcher, saying both times:>

C: aNwaN (= I want) water this .

^1;9(26) 5-10-72

<C, putting a doll up on M's dressing table, says:>

C: sit [A] up .

^1;9(26) 5-10-72

<C leads M to her room and turns to the light switch, saying:>

C: [A] off light .

<She waits while M turns it off.>

^1;9(26) 5-10-72

<As C picks cones off a tree as we did two days ago with P, M says:>

M: ... did you pick a cone? <C says:>

C: P pick [A] cone .

^1;9(26) 5-10-72

C: baby [town] " cone " .

<Modelled two days ago.>

^1;9(26) 5-10-72

<C, picking another "baby" pine cone off a tree, says:>

C: aNwaN (= I want) more baby cone .

<Not modelled.>

^1;9(26) 5-10-72

<C crying hard after we take her temperature:>

F: Are you feeling better?

C: better no <s3> .

<Later after C has mostly stopped crying:>

M: Are you feeling better?

C: better .

^1;9(26) 5-10-72

<C looks at a picture of Jeremy, and says:>

C: baby daddy <s3> .

^1;9(26) 5-10-72

<C looks at a picture of C and Emily sitting on the floor, playing close together, and says:>

C: uh oh . baby fall down me .

^1;9(26) 5-10-72

<C looks at a picture of Emily, and says:>

C: Emily baby <s4> .

^1;9(26) 5-10-72

<C looks at a picture of herself lying down on toys in the tub, and says:>

C: get up .

^1;9(26) 5-10-72

<C, feeling her own face, says:>

C: glass off .

<She does not have her glasses on.>

^1;9(26) 5-10-72

<M and C looking at a picture of Christy:>

M: See your glasses?

C: baby glass <[d&s]> on .

^1;9(26) 5-10-72

<C, pointing to the head of a whole doll that is floating in a tub in a picture, says:>

C: head on .

^1;9(26) 5-10-72

<C looks at a picture of Jeremy lying on the floor, and says:>

C: Emily <[hami]> daddy lying down .

^1;9(26) 5-10-72

<As F gets up to leave, C says to him:>

C: sit down .

<Imperious tone.>

^1;9(26) 5-10-72

<C looking at a cat outside. We have just noted that he is standing in the rain. C says:>

C: catty coat .

^1;9(26) 5-10-72

<C says:>

C: catty coat .

<After seeing a cat outside the window in the rain, she then says:>

C: catty shoe on .

^1;9(26) 5-10-72

<As C lifts a half-filled pitcher of water out of the sink when she is playing, she says:>

C: pretty heavy .

<First use of "pretty" as an adv. M has probably modelled this phrase in other contexts, but not too recently.>

^1;9(27) 5-11-72

<As C hovers over M's hot peas, not wanting to take one yet, she says:>

C: pea cool .

<Seems a wish. M has modelled similar utterances in similar situations in the past.>

^1;9(27) 5-11-72

<C, sitting quietly on her horse, says several times:>

C: my horsie <[hosi]> .

^1;9(27) 5-11-72

C: pretty soon . <Imitated>

^1;9(27) 5-11-72

<As M puts the butter away in the refrigerator, C is upset. She says:>

C: later ... utter later ?

^1;9(27) 5-11-72

<C spends several minutes taking candy bars out of boxes and replacing them in store. Seeming hopeful, she says to

M:> C: candy later .

^1;9(27) 5-11-72

M: The wow-wow got all broken.

C: wow-wow fix <[fik]> later .

^1;9(27) 5-11-72

<C sees a man mowing his lawn, and says:>

C: man cut .

^1;9(27) 5-11-72

<After C drops her piece of bread and butter, she says:>

C: butter fall down .

^1;9(27) 5-11-72

<C is in the kitchen. After she watches a guest go into our bathroom, she goes toward it, saying:>

C: [A] see bathroom <[b&di]> .

^1;9(27) 5-11-72

<C, taking hold of M's purse, says:>

C: hold purse .

^1;9(27) 5-11-72

<C, holding her blanket, says:>

C: [A] hold blanket .

^1;9(27) 5-11-72

<M and C eating bread and butter:>

M: mmmmm.

C: mmmmm . <Imitated. Then:> like butter .

^1;9(27) 5-11-72

C: [m&n was wini] " man wash window ". <Imitated>

^1;9(27) 5-11-72

<C points to steaming mashed potato on M's plate, and says:>

C: potato <[tipi]> hot .

<First non-imitated use of "potato".>

<C playing with her doll. She had fever last night and often heard "Deedee is hot ". Now she says:>

C: dolly hot .

<M asks "is the dolly hot? Like Christy?" C says:>

C: Deedee hot too .

^1;9(27) 5-11-72

<C has been playing with ice chips and has just left them saying:>

C: finger <[fini]> cold .

^1;9(27) 5-11-72

<C has asked for a bottle. M thought she meant the medicine bottle and took that out of the refrigerator. C whines and says:>

C: no , other bottle .

<Looking into the refrigerator, she wanted the milk bottle.>

^1;9(27) 5-11-72

<C, seeing M's peas, says:>

C: [pis] <or> [piz] .

<Awareness of plural "s" just starting the last few days. E.g., knees, toys, peas and perhaps a few others.>

^1;9(27) 5-11-72

<C, putting her hand on her foot, says:>

C: foot .

<First use. Feet has always been both singular and plural. Not modelled within the preceding several hours at least.>

^1;9(27) 5-11-72

<As C plays quietly with her doll, she brushes its hair. M comments. C then brushes her own hair, then alternates, saying:>

C: baby turn , Deedee turn .

^1;9(27) 5-11-72

<C looks up at a boy standing nearby in a doctor's office, and says:>

C: boy face .

<C, talking on toy phone, presumably to baby Brad, says:>

C: hi baby .

^1;9(27) 5-11-72

<As we leave the gas station after M has just explained about buying gas to C, C says:>

C: more gas .

<"Gas" a new word.>

^1;9(27) 5-11-72

<C looks at a cartoon on a T.V. dinner carton, and says:>

C: toys .

<The picture on the cover must mislead her.>

^1;9(27) 5-11-72

<C sees an Instant Breakfast glass on the counter, and says:>

C: daddy .

<F says that it wasn't his, then with a second guess, she says:>

C: that mommy .

^1;9(27) 5-11-72

<As C plays with a plastic ball with a cat floating in liquid inside it, she says:>

C: catty .

M: What's the catty doing?

C: water . <Then:> catty water .

^1;9(27) 5-11-72

<C spreads a paper out in front of her, saying:>

C: Deedee read [A] paper .

<Then closing it, she says:>

C: all done .

^1;9(27) 5-11-72

<C hears a baby crying in the doctors office and wants to see it. She says:>

C: see baby crying <[payn]> .

^1;9(27) 5-11-72

<Phonology:>

C: [kak] " talk ".

<Delayed imitation, several times.>

^1;9(27) 5-11-72

<C looks at an empty play pen as we pass a laundromat window, and says:>

C: baby gone .

^1;9(27) 5-11-72

<As C and M watch a baby drinking its bottle, the baby's mother sets the bottle down with a little bit left in it. M says:>

M: The baby's finished its bottle. <C says:>

C: baby bottle all gone . <Then:> little bit left .

^1;9(27) 5-11-72

<C tries to get M out of the house as M has promised, saying:>

C: [sayd] " side" (out) .

C: [kAm Asayd] " come side (out) ". <Then:> out .

^1;9(27) 5-11-72

<C, examining the leg of a doll that ends abruptly with no real foot, says:>

C: hand off .

^1;9(27) 5-11-72

<C picking dandelions in the front yard. As she gives one to M, M says:>

M: (One) for mommy?

<Then, in the back yard as she picks dandelions and takes each one to F, she says several times:>

C: one daddy .

<Then as she is ready to take another to F, she says:>

C: more daddy .

^1;9(27) 5-11-72

<While in the car seat, C has been watching a bird as we wait for the lights.

Then, as we drive on, she says:>

C: bye-bye birdie .

^1;9(27) 5-11-72

<After M wipes C's nose, C holds out a moist finger for a wipe, saying:>

C: [n& fini] " kleenex finger ".

<Quite new.>

^1;9(27) 5-11-72

<C, bringing a wrapped ball of bubble gum from the store shelf, says:>

C: little ball .

^1;9(27) 5-11-72

<C, trying to get M to lift her up on the counter, says many times:>

C: watch <and> Deedee watch .

^1;9(27) 5-11-72

<M giving C drops. After some drips on her pyjama front, M says:> M: It dripped.

<Or so.>

C: drip tummy .

^1;9(27) 5-11-72

<C takes a "cheerio" box off the shelf and plunges her hand into it, saying:>

C: have cereal .

^1;9(27) 5-11-72

C: mommy get bottle ?

^1;9(27) 5-11-72

<C, watching M get ready to open a margarine tub, says:>

C: mommy open butter .

^1;9(27) 5-11-72

<While C plays with a doll that has several faces, one with eyes open, one with eyes closed, she says:>

C: eye open . <Then:> eye closed .

^1;9(27) 5-11-72

<As C watches a baby, either with its eyes closed while she watches or had them closed all along, she says:>

C: baby close eye .

^1;9(27) 5-11-72

<C, trying to pull the car door closed from the inside, says:>

C: close door .

^1;9(27) 5-11-72

<With reference to a box of toys that M says we must leave in the car as we get ready to get out, C says in imperative tone:>

C: toy stay home . <Then:> bye-bye . <Then:> stay home .

^1;9(27) 5-11-72

<C, trying to put peas in a cup, says:>

C: go [A] in .

^1;9(27) 5-11-72

<As M delays in putting off the light while putting C to bed, C, from her bed, says:>

C: light off .

^1;9(27) 5-11-72

<C looks at books on the shelves in her room, and says:>

C: book home . <Then:> book out .

^1;9(27) 5-11-72

<Several self-concept-related behaviors are all seeming to emerge at the same time about now:>

1. The use of SELF, DEEDEE SELF. Not too frequent yet, but she has a clear understanding of the meaning and uses it appropriately.
2. Pronouns starting to emerge. ME as D.O., YOU MOMMY to M yesterday, much imitation of our sentences with "you" as D.O., "my" as possessor.
3. Within the last week M said "what's your name?", in discussion of names. C patted her chest and said DEEDEE.
4. Within the last two days, reports and awareness of her own feelings. E.g., yesterday BETTER NO and BETTER when asked if she felt better. Today MMMMMMMM LIKE BUTTER.

^1;9(28) 5-12-72

<C, showing F the glass of water that M has just given her, says:>

C: [A] got water . <And> [A] got water .

^1;9(28) 5-12-72

<After M tells C that she should have her medicine, C says:>

C: Deedee throat better .

<No previous discussion of C's throat, although M and F had sore throats 2-3 weeks ago.>

^1;9(28) 5-12-72

<Comprehension of personal pronouns: C shows good understanding of "my" and "your" in commands like:>

- 1) Can you brush my hair?
- 2) Can you brush your hair?
- 3) Can you brush my tummy?
- 4) Can you brush your tummy?

^1;9(28) 5-12-72

<C in F's seat in the car trying to fasten seat belt. She appeals to M, saying:>

C: [n&p d(i)uw] " snap you ".

<M often says " ... snap ... (you?) " in connection with fixing C in her own car seat.>

^1;9(28) 5-12-72

<Phonology:>

C: [weyv] " wave ". <Imitated>

^1;9(28) 5-12-72

<As C tries to comb her doll's hair:>

M: Baby doesn't have any hair.

C: hair later more .

^1;9(28) 5-12-72

<C is at the table and M has given her cereal. She, not eating, looks around for her bottle, and says:>

C: [aNwaN ba A faws] " aNwaN (= I want) bottle first (?) ".

<Happy when M gives it. First use of "first" if that's what this is.>

^1;9(28) 5-12-72

<C, trying to fit a pencil into doll's hand with a pad of paper nearby, says:>

C: baby write .

^1;9(28) 5-12-72

<After C drops a bar of soap in the sink, she says:>

C: soap fall down .

^1;9(28) 5-12-72

<C has a piece of cake in a container on the floor and is patting it. She says several times:>

C: cut cake <and> cut knife .

<Happy when M cuts it with a knife and gives her some.>

^1;9(28) 5-12-72

<C, trying to reach up to an empty glass on a shelf, says several times:>

C: drink water .

^1;9(28) 5-12-72

<C, trying to drape a blanket over her doll's hand, says:>

C: aNwaN (= I want) baby cover hand .

^1;9(28) 5-12-72

<C is on the floor herself covered with a blanket, she says to F:>

C: cover mommy .

F: Do you want me to cover mommy? <or>

F: Shall mommy cover you? <Etc.>

<C gets very frustrated and goes into a long struggle to express her idea, with words like:>

C: mommy , daddy , cover .

<She repeats these numerous times. "[aNwaN] (I want) daddy cover mommy"

expressed somewhere in the middle of this. F covers M, C smiles and relaxes again.>

^1;9(28) 5-12-72

<C has, at M's direction, been brushing different body parts with a hair brush. M says:>

M: Can you brush your knee?

C: V brush my daddy knees .

<F not home. C doesn't follow this up.>

^1;9(28) 5-12-72

<C holding a bar of soap under a stream of water:>

M: Are you washing your hands?

C: wash soap water .

^1;9(28) 5-12-72

C: [noys] " noise ".

<This is a recent shift in pronunciation. In the last few days. Before it was always [niuw] .>

^1;9(28) 5-12-72

C: [fis] " fist ". <Imitated>

^1;9(28) 5-12-72

<C points toward a pile of toy bracelets, saying:>

C: aNwaN (= I want) that [win] " ring ".

^1;9(28) 5-12-72

<C pats her doll's head, then gets one of M's hair rollers and puts it up to baby's head, saying:>

C: baby roller (hair) head .

^1;9(28) 5-12-72

<"That + N" continues to occur productively, but is not frequent. Two to three a day perhaps. No "this + N ".>

^1;9(28) 5-12-72

<C looks at a picture of a mother and two children in Dot's window, and says:>

C: babies .

<Final sibilant clear, though slightly lisped.>

^1;9(28) 5-12-72

C: HO:SI.

M: A horsie? <Etc.>

C: not [A] horsie . <Several times.>

<Never determined what C's original reference was.>

^1;9(28) 5-12-72

<C looking backwards over the porch swing:>

M: Do you see anybody? Is anybody there? <Etc.>

C: body all gone .

^1;9(28) 5-12-72

<While retrieving a doll that had just toppled over onto F's undershirt on the dressing table, C says:>

C: baby fall down daddy shirt .

^1;9(28) 5-12-72

<As M and F tickle C's feet, C says:>

C: [dapIt] " stop it ". <And once:> [dapsIt] .

^1;9(28) 5-12-72

<C and M have just taken pieces of cake and are now starting into the living room where F is. C says:>

C: (daddy) have cake .

^1;9(28) 5-12-72

<C, trying to open a plastic bag containing clean nipples, says:>

C: aNwaN (= I want) get [nip] " nipple " out .

<First sentence of this sort.>

^1;9(28) 5-12-72

<C takes a piece of chalk off F's stomach where she's just put it, saying:>

C: [&N w&N] " tummy away ".

^1;9(28) 5-12-72

<After C throws a chalk stick, she says:>

C: fall down .

<Also, very frequently as C flings herself on her stomach on purpose, or drops something or pushes it down.>

^1;9(28) 5-12-72

<After C hears the noise of a dropping cup in the next room, she says:>

C: [h&p , h&pEn] " happen ? ".

^1;9(29) 5-13-72

<C has been playing in sand recently. Now, plucking at her shoes, she says:>

C: sand shoe .

<As M empties one shoe, she says:>

C: sand other shoe .

<There is also sand in it.>

^1;9(29) 5-13-72

<C, drinking an Instant Breakfast, says:>

C: all gone .

M: All gone, is it all gone?

C: no , left <[y&f]> .

<There is some left.>

^1;9(28) 5-12-72

<M brushing hair at the dressing table. C and doll sitting at the table too. C says:>

C: baby brush feet on .

C: baby [A] feet on .

C: aNwaN (= I want) baby feet on .

<Reference unclear.>

^1;9(28) 5-12-72

<C, trying to get M and F to sit down as they were a few minutes earlier, says:>

C: sit down . <And> mommy sit down . <And> daddy sit down .

^1;9(28) 5-12-72

<C, trying to bend doll's legs so it will sit, says:>

C: baby sit down .

^1;9(29) 5-13-72

<1-2 days ago M told C that P had gone to see (possibly "visit") her
Grandparents:>

M: P went on a trip.

C: momma .

M: P's mommy went too. Who did P go to visit?

C: P ... visit ... Grandma(pa) .

^1;9(29) 5-13-72

<C in a dreamy state after her nap, evidently remembers that Marc's daddy
once fixed a door (or doorbell) 5-7 months ago! She points to the actual
doorbell and comments on several occasions, saying:>

C: Marc daddy fix door .

^1;9(29) 5-13-72

<C, sitting on the floor at a dog show, looks at the rear-end of a nearby
dog, and says:>

C: wow-wow B.M.

^1;9(29) 5-13-72

<Shortly after F takes his dinner plate back to the kitchen after eating, C
says:>

C: my daddy all done .

^1;9(29) 5-13-72

<C says to M, several times:>

C: aNwaN my bottle .

<First use of "my" with bottle.>

^1;9(29) 5-13-72

<Pronoun alteration: C, picks up the bowl that M had set down at her place,
and says:>

C: that ?

M: That's a bowl for you?

C: bowl me . <Two times.>

^1;9(29) 5-13-72

<As C sits on M's lap, she leans her head against M and closes her eyes, saying:>

C: resting .

<First spontaneous use. A few previous instances. M uses it fairly often.>

^1;9(29) 5-13-72

<Phonology:>

C: [s.(v)uwsɪ] " shoesies ". <Imitated>

C: [mAs] " much ". <Imitated>

^1;9(29) 5-13-72

<C points at baby pictures of herself that she likes to look at, and says:>

C: see baby later .

^1;9(29) 5-13-72

<C has been giving her dolly short feedings from a play bottle. Now, setting the bottle briefly aside, she says:>

C: wait later .

^1;9(29) 5-13-72

<C looks at a bottle of milk on the tray of a baby's stroller, and says:>

C: bottle ... drink baby bottle later .

<Presumably thinking that the baby will drink the bottle later. "Baby bottle" used for many bottles, whether or not a baby is nearby.>

^1;9(29) 5-13-72

<C and M discussing the oven. M tells C it is not hot now but that something in it is hot. C says:>

C: hot later .

<Not modelled probably ever.>

^1;9(29) 5-13-72

<C, about to be given medicine she hates, says:>

C: all done soon .

<M has probably modelled this sometimes when the medicine was to be given recently.>

^1;9(29) 5-13-72

<After M tells C that we couldn't play in the sandbox 'cause the sand was wet, C looks out of the window at it, and says:>

C: Deedee sandbox later .

^1;9(29) 5-13-72

<C watches F get dressed, and says:>

C: daddy dress .

^1;9(29) 5-13-72

<C, M and F are sitting on grass eating as a dog goes by. C says:>

C: wow-wow eat .

^1;9(29) 5-13-72

<C, climbing onto a stool with her dolly, proceeds to hold doll in her lap, saying:>

C: sit me . <And> dolly sit me .

<Probably modelled in the past is "come sit with me" and the like.>

^1;9(29) 5-13-72

<As C brings a wash tub in toward a pile of her toys in the living room:>

M: Are you going to bring a box for your toys?

C: toy come too .

^1;9(29) 5-13-72

C: see [gagis] " see doggies ". <Imitation>

^1;9(29) 5-13-72

<C, holding a glass or cup, says:>

C: hold this .

^1;9(29) 5-13-72

C: [awant] .

<Pronunciation of "want" very clear unlike her usual [aNwaN].>

^1;9(29) 5-13-72

<As C stands at the bathroom sink with water on and a toothbrush in her hand, she says:>

C: brush teeth .

<Has been modelled many times, though this is not a direct imitation.>

^1;9(29) 5-13-72

C: daddy go see [goggi] " doggie " .

<After we have been telling C we will "go see some doggies" today, C says the above. Not an imitation entirely, though.>

^1;9(29) 5-13-72

<As M carries C, with F along side them, C says:>

C: daddy see wow-wow too .

<We have said to C that we would go see the wow-wows some more.>

^1;9(29) 5-13-72

<M tells C she is going to fix C's dinner. C, rushes toward the kitchen carrying her doll, saying:>

C: dolly come too .

^1;9(29) 5-13-72

<After C makes a puddle on the floor, she picks up a tiny wet scarab, which she evidently thinks is an egg, and says:>

C: egg wet .

^1;9(29) 5-13-72

<C has made a puddle on the floor. First noted that "egg wet" (a scarab), she now notices some wet coins, and says:>

C: money wet too .

^1;9(29) 5-13-72

<As the wind blows C's and F's hair, C turns to him saying:>

C: windy <and> daddy windy .

^1;9(29) 5-13-72

<As C takes a piece of pie off F's plate to feed him, she says:>

C: little more .

<F has had several from her. First use of this phrase.>

^1;9(29) 5-13-72

C: mamis , dadis .

<Addition of plural (s) and (not (z)) to words in isolation, evidently simply during play. No reference.>

^1;9(29) 5-13-72

<C looks at a large group of boys and girls walking on the high school field, and says:>

C: [boys] " boys " .

<Not modelled in this context, nor too recently at all. Plural (s) (never [z] . [s] used everywhere) taking a big jump in the last few days.>

^1;9(29) 5-13-72

<As C holds her doll tenderly, she says to her:>

C: hi darling <[dayn:]> .

<First spontaneous use, though has imitated before.>

^1;9(29) 5-13-72

<C on her tricycle, has gotten her pants caught on the seat. She turns fretfully to M, saying:>

C: pant bike .

^1;9(29) 5-13-72

<C says to her doll:>

C: morning .

<Delayed imitation of M's frequent morning greeting. First spontaneous use.>

^1;9(29) 5-13-72

<C has taken a turn with M and F at looking through the binoculars, and now trying to get us to give them to her again, she says on two separate "turns":>

C: [&] see more . <And> look more .

^1;9(29) 5-13-72

<C looks in the direction of an open jar of meat that M is fixing for her dinner, and says:>

C: aNwaN (= I want) that meat .

^1;9(29) 5-13-72

<C rejects a large piece of sardine, which F gives her. Then, accepting a smaller piece, she says:>

C: [no , A bit] " no , a (little) bit " .

^1;9(29) 5-13-72

<C, on the kitchen counter holding her doll, says:>

C: dolly ice .

<M often gives C chips of ice for the last few days. Seems a request, e.g.,
"give dolly ice" or "dolly have ice", or so.>

^1;9(29) 5-13-72

<C, stretches out her hands for binoculars M is about to put away, saying:>

C: aNwaN (= I want) this .

^1;9(29) 5-13-72

<C and M building a tower of blocks. As it topples:>

M: The wind blew the tower down.

C: wind fall block (boat ?) down .

<Sounded like "boat", possibly she notice a picture of a boat on one of the
falling blocks.>

^1;9(29) 5-13-72

<C reaching for M's milk glass. After M gives it to her, she says:>

C: [kIfIt] " give it ? " .

<Interpretation uncertain. In the past, "give" always in connection with "me"
in [dimi].>

^1;9(29) 5-13-72

<M has said that she would fix an Instant Breakfast for F:>

C: ?????????? <I forget what.>

M: Are you gonna have one too?

C: aNwaN (= I want) [bas] " breakfast " too .

^1;9(29) 5-13-72

<C, waking up from a nap and not finding a doll in her bed as usual, says:>

C: get [dayt] " dolly (it ?) " .

^1;9(29) 5-13-72

<C, reporting an intended action she then performs, says to F:>

C: get [A] toy . <And> get [A] (toys:) .

^1;9(29) 5-13-72

<C, picking up a scarab that got wet in her puddle, says:>

C: dry off .

^1;9(29) 5-13-72

<C, holding up her iron drops bottle, looks at M, and says:>

C: open this .

^1;9(29) 5-13-72

<C and M on a swing. C looks up at an overhead bar, and says:>

C: daddy fix swing .

<In the past (at least 1-2 months ago) M has told C that "daddy fixed the swing".>

^1;9(29) 5-13-72

<After C suggests that her doll comes to a dog show too and M says that the doll would not come, C says to her doll:>

C: dolly stay home .

^1;9(29) 5-13-72

<C, trying to get a string of beads to stay round her neck, says:>

C: aNwaN (= I want) bead <[bid]> on .

^1;9(29) 5-13-72

<C has put a box of cereal into a big box. As she passes the box a moment later, she comments, saying:>

C: [A] cereal [A] in .

^1;9(29) 5-13-72

<C tries to put F's shoe on, saying:>

C: [A] on shoe .

^1;9(29) 5-13-72

<C points to F's glasses lying on the bed, and says:>

C: glasses on .

<C is anxious to get him started.>

^1;9(29) 5-13-72

<C looks at her doll, whose pants had just slipped off as M puts doll into a crib, and says:>

C: dolly shirt off .

<Doll's shirt has also come off earlier today.>

^1;9(29) 5-13-72

<C having gotten M to undo one button on M's shirt, wants the others undone.

She says:>

C: [Ad& habis] " other open ".

<Plural (s) for "other" or "open".>

END OF FILE CHR13
